Directions

Take Fwy 8 East toward El Centro. Exit at 2nd St and turn right (South). Turn left (East) at Washington (several lights from the freeway) and proceed to the light where Washington and Granite Hills intersect. At this point, Washington becomes Dehesa; proceed straight through the light and go about $\frac{1}{3}$ mile to a major driveway on the left. There is a street sign that says *Calle Encanto*. Turn left into the large drive and park along the side. Walk up the small drive on the left to the greenhouse and enter at the gate. Follow the balloons and the noise up to the patio.
